

Te Uho O Te Nikau Primary School (593)

Enrolment Scheme

Effective from 1st January 2026

The guidelines for development and operation of enrolment schemes are issued under Schedule 20 section 4 of the Education and Training Act 2020 (formerly section 11G (3) of the Education Act 1989) for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

Home Zone

All students who live within the home zone described below and/or shown on the attached map shall be entitled to enrol at the school.

Starting at the intersection of Murphys Road and Ormiston Road, travel east along Ormiston Road (south side, even numbers 271 to 427 only included) to Tamure Road. Travel south along Tamure Road (west side, odd numbers only included). Cross east and south from the south end of Tamure Road to Redoubt Road at Michael Boshier Way (Flat Bush School Road odd numbers 181 and above, even numbers 190 and above and all no-exit side roads included, Michael Boshier Way included). Travel south and then west along Redoubt Road (west side, even numbers 600 to 644 only included). At 600 Redoubt Road, travel west across to Murphys Park Drive (north side, odd numbers only included), continuing west to Murphys Road. Travel north along Murphys Road (east side, odd numbers 131 to 271 only included).

Proof of residence within the home zone will be required.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Transitional arrangement

This is for families of currently enrolled students whose addresses become "out of zone" due to the amendment to the enrolment scheme home zone.

In addition, the properties on the below streets shall be deemed to form part of the home zone--deemed to be "in zone" --but only for as long as they contain children who, at the time of enrolment, are the siblings of current students.

Schedule 20(1) of the Education and Training Act 2020 states that “[t]he Secretary must define a State school’s home zone by geographic boundaries, which must be described so that a given address is either within or outside the home zone”. The list above is defining a location as “in-zone” unless dictated otherwise by the exception’s outlines in and above.

Special Programmes

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

Out of Zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- First Priority** This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.
- Second Priority** will be given to applicants who are siblings of current students.
- Third Priority** will be given to applicants who are siblings of former students.
- Fourth Priority** will be given to any applicant who is a child of a former student of the school.
- Fifth Priority** will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- Sixth Priority** will be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Schedule 20 section 4 of the Education and Training Act 2020 (formerly section 11G (3) of the Education Act 1989). Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
